Note:

- Drukair restricts travel beyond the end of the 36th week for uncomplicated single pregnancies and 32nd week for twins, triplets, etc.
- Once an uncomplicated pregnancy enters its 28th week, expectant mothers are required to carry a 'fit to fly' letter completed by their midwife/doctor above. This completed letter should be dated within 2 weeks of the booked flight.
- Drukair reserves the right to refuse carriage for pregnant women over 28 weeks pregnant who does not present a "fit to fly" letter from their midwife/doctor during check-in.
- **This letter must be dated within two weeks of the date of travel.**
