

THAI and Drukair Sign Interline Agreement to Enhance Seamless Travel Connectivity

24 October 2025 — Thai Airways International Public Company Limited (TG) and Drukair Corporation Limited — Royal Bhutan Airlines (KB), officially signed an Interline Agreement to enhance seamless travel convenience and strengthen network connectivity between the two airlines. The signing ceremony was held in Paro, Bhutan, between the two airlines represented by Mr. Chai Eamsiri, THAI Chief Executive Officer and Mr. Tandi Wangchuk, Drukair Chief Executive Officer.

The collaboration enables passengers to enjoy seamless travel connectivity through a single ticket for journeys combining flights operated by Thai Airways and Drukair. The agreement also provides through check-in for both passengers and baggage to the final destination, reducing transit time and enhancing travel convenience via Suvarnabhumi Airport. In addition, Passengers can also benefit from competitive interline fares that offer greater flexibility and value.

Mr. Chai Eamsiri, THAI CEO stated, "We are pleased to strengthen seamless travel connectivity through our partnership with Drukair, the national airline of the Kingdom of Bhutan. Passengers from Northern Asia and Australia can now enjoy seamless connections to Paro via Bangkok, offering greater flexibility and an enriched travel experience."

"This partnership marks an important milestone for Drukair as we continue to improve travel convenience for our customers. Our passengers will now have access to Thai Airways' vast international network through a single connection in Bangkok, opening up easier access to destinations such as Perth, Melbourne, Sydney, Seoul, Tokyo and many other Thai domestic routes." Mr. Tandi Wangchuk, Drukair CEO said.

This collaboration further enhances tourism and business travel connectivity, giving passengers with easier access to Thai Airways' extensive global network and Bhutan's distinctive destinations.
